QUESTIONS FOR DISCUSSION

- 1. Explain the preparatory steps that should be taken before a translation is begun.
- 2. Why should names of individuals be left untranslated in legal documents? Names of churches and hospitals? Banks?
- 3. Explain how you would deal with abbreviations and acronyms in a translation.
- 4. Should Latin phrases occurring in a Spanish text be translated into English or left in Latin? Why?
- 5. What are "faux amis"? Why do they cause particular difficulty in legal translation? Give ten examples that you have observed in these materials.
