

Finding an author's h-index in Web of Science

The screenshot displays the top navigation bar of the Web of Science website, including links for Web of Science™, InCites™, Journal Citation Reports®, Essential Science Indicators™, and EndNote™. Below this is the main header with the 'WEB OF SCIENCE™' logo and a search bar containing 'Web of Science™ Core Collection'. A 'Search' button is located to the left of the search bar. Below the search bar, the 'Basic Search' dropdown menu is open, showing options: 'Basic Search', 'Author Search' (circled in red), 'Cited Reference Search', and 'Advanced Search'. The search input field contains the text 'Example: oil' and '1.'. To the right of the search input field is a 'Topic' dropdown menu and a 'Search' button. Below the search input field are links for '+ Add Another Field' and 'Reset Form'.

3. Select Research Domain ▶ **Finish Search**

Click on “Record Sets” to view sets of articles likely written by the same person.

The screenshot displays the Web of Science interface. At the top, there are navigation links for Web of Science™, InCites™, Journal Citation Reports®, Essential Science Indicators™, and EndNote™. On the right, there are links for Sign In, Help, and English. The main header features the Web of Science™ logo and the Thomson Reuters logo. Below the header, there is a search bar with the text "4." and a "Search" button. To the right of the search bar are links for "My Tools", "Search History", and "Marked List".

The main content area shows "Author Search Results: 71 Records" and a link for "31 Record Sets" which is circled in red. Below this, it says "You searched for: AU=(Chromik R*) ...More" and a "Create Alert" button.

On the left side, there is a "Refine Results" section with a search box and a list of "Web of Science Categories":

- MATERIALS SCIENCE MULTIDISCIPLINARY (42)
- PHYSICS APPLIED (15)
- ENGINEERING MECHANICAL (14)

The main results area shows a list of articles. The first article is:

1. **Microstructure and Mechanical Properties of Ti Cold-Spray Splats Determined by Electron Channeling Contrast Imaging and Nanoindentation Mapping**
By: Goldbaum, Dina; **Chromik, Richard R.**; Brodusch, Nicolas; et al.
MICROSCOPY AND MICROANALYSIS Volume: 21 Issue: 3 Pages: 570-581 Published: JUN 2015

Below the article title are buttons for "Find Full Text" and "View Abstract".

At the top right of the results area, there is a "Sort by" dropdown menu set to "Publication Date -- newest to oldest" and a "Page 1 of 8" indicator.

On the right side of the results area, there are links for "Analyze Results" and "Create Citation Report", and a "Usage Count" dropdown menu.

Select the set(s) that are appropriate in identifying the author you are looking for and click on “View Records.”

Web of Science looks at several factors to create an author set, such as the similarities in the author name, subject matter, and bibliographies of the articles.

Author Search Results: 71 Records | 31 Record Sets
You searched for: AU=(Chromik R*) ...More
Record Sets Last Updated: November 11, 2015

Records grouped together are likely written by the same person. (Tell me more.)
If your papers appear in multiple record sets use the I wrote these publications button to add them to your publication list in ResearcherID and have them gr

6. [View Records](#) [Add to ResearcherID - I wrote these](#) [Clear All](#)

5.

	Author Names	Last Known Organization 	Research Areas
1. <input checked="" type="checkbox"/>	CHROMIK RR Also published as: CHROMIK RICHARD R CHROMIK R R CHROMIK RICHARD CHROMIK R	McGill University	MATERIALS SCIENCE (27) ENGINEERING (12) PHYSICS (11) METALLURGY METALLURGICAL ENGINEERING (6) SCIENCE TECHNOLOGY OTHER TOPICS (4)

Click on “Create Citation Report” to view the author’s h-index.

The screenshot displays the Thomson Reuters interface. At the top, there are navigation links for "Citation Reports", "Essential Science Indicators", and "EndNote". The Thomson Reuters logo is visible on the right. Below the navigation bar, there are tabs for "My Tools", "Search History", and "Marked List". The main content area shows search results sorted by "Publication Date -- newest to oldest". The first result is highlighted with a dashed box and the number "7.". To the right of the results, there are buttons for "Analyze Results" and "Create Citation Report", with the latter being circled in red. Below the results, there are buttons for "Find Full Text" and "View Abstract".
